

## ZUBR — COOKIE POLICY

Last updated: 25 December 2019

We have designed our website ([www.zubr.io](http://www.zubr.io)) so that you may navigate and use our website without having to provide Personal Data, subject only to certain data that may be collected via the use of cookies. This Policy sets out how our website uses cookies and similar technologies on our website and the purposes for which we do so. If you do not accept these policies, you should immediately discontinue your use of our website.

### 1. About Cookies

1. A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.
2. Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date; a session cookie, on the other hand, will expire at the end of the user session, when the web browser is closed.
3. Cookies do not typically contain any information that personally identifies a user, but personal information that we store about you may be linked to the information stored in and obtained from cookies.

### 2. Cookies That We Use

This website may place and use the following cookies:

1. Strictly necessary cookies: These are cookies that are required for the operation of the website ([www.zubr.io](http://www.zubr.io)). They may include, for example, cookies that enable you to log into secure areas of our website;
2. Analytical/performance cookies: They allow us to recognise and count the number of visitors and to see the activity of visitors move around our website while they are using it. This helps us to improve the way the website works, for example, by ensuring that users are quickly finding what they are looking for.

These cookies collect information which may include:

- the IP and logical address of the server you are using;
- the top-level domain name from which you access the internet (for example .ie, .com, etc.);
- the type of browser you are using;
- the date and time you access our website;
- the internet address linking to our website;

Our website also uses cookies to:

- remember you and your actions while navigating between pages;
- remember if you have agreed (or not) to our use of cookies on our website;
- ensure the security of the website;
- monitor and improve the performance of servers hosting the site;
- distinguish users and sessions;
- Improving the speed of the site when you access content repeatedly;
- determine new sessions and visits;
- show the traffic source or campaign that explains how you may have reached our website; and
- us to store any customisation preferences where our website allows this

### 3. Cookies Used by Our Service Providers

1. Our service providers use cookies, and those cookies may be stored on your computer when you visit our website.
2. We use Google Analytics and Yandex.Metrica to analyse the use of our website. These services gather information about website use by means of cookies. The information gathered relating to our website is used to create reports about the use of our website. Google's privacy policy is available [here](#). Yandex.Metrica's data policy is available [here](#).

### 4. Managing Cookies

1. Most browsers allow you to refuse to accept cookies and to delete cookies. The methods for doing so vary from browser to browser, and from version to version. You can, however, obtain up-to-date information about blocking and deleting cookies via these links:
  - a. <https://support.google.com/chrome/answer/95647?hl=en> (Chrome);
  - b. <https://support.mozilla.org/en-US/kb/enable-and-disable-cookies-website-preferences> (Firefox);
  - c. <https://blogs.opera.com/news/2015/08/how-to-manage-cookies-in-opera/> (Opera);
  - d. <https://support.microsoft.com/en-gb/help/17442/windows-internet-explorer-delete-manage-cookies> (Internet Explorer);
  - e. <https://support.apple.com/en-gb/guide/safari/sfri11471/mac> (Safari);
  - f. <https://privacy.microsoft.com/en-us/windows-10-microsoft-edge-and-privacy> (Edge).

In addition, most browsers are initially set to accept cookies. If you prefer, you can set your browser to refuse cookies and control and/or delete cookies as you wish – for

details, see [www.aboutcookies.org](http://www.aboutcookies.org). You can delete all cookies that are already on your device, and you can set most browsers to prevent them from being placed. You should be aware that if you do this, you may have to manually adjust some preferences every time you visit an Internet site and some services and functionalities may not work if you do not accept the cookies they send.

2. Blocking all cookies will have a negative impact upon the usability of many websites.
3. If you block cookies, you may not be able to use all the features on our website correctly.

## 5. Revisions to this Cookie Policy

We may make periodic changes to this Cookie Policy. Any amended policy will be effective immediately after the date it is posted. We encourage you to review this Cookie Policy whenever you access or use our website to stay informed about our information practices and the choices available to you. If you do not agree to the revised Privacy and/or Cookie Policy, you should discontinue your use of this website. By continuing to access or use our website after the effective date, you confirm your acceptance of the revised policy and all of the terms incorporated therein by reference.

## 6. Contact Details

If you have any question on how we use cookies, you can contact us by emailing [info@zubr.io](mailto:info@zubr.io).
